Glenn Beck Endorses Tax Resolution Services Co. As Best Firm to Relieve IRS Stress

National Media Personality Recommends the Nation's Leading Experts in Tax Negotiation and Mediation® to Struggling Americans Facing IRS Tax Issues.

Encino, CA – November, 2011 - From the man known for standing on his principles, nationally syndicated media personality Glenn Beck, recently gave a video endorsement on (GBTV) for Tax Resolution Services, Co. (TRS) as being the best in the business for [settling back tax issues](#). TRS negotiates directly with the IRS on behalf of consumers and can help them resolve their tax problems, including: Audits, IRS (partial) payment plans, Offers in Compromise, Innocent Spouse Defense, Penalty Abatement and lifting/modifying [bank levies](#) and wage garnishments. TRS can also request that your Federal Tax Lien that shows up on your credit report be erased, if you qualify.

Glenn Beck TV (GBTV), Beck's new HD Video Network, showcases original Glenn Beck programs including news, documentaries, and reality and behind the scenes shows and represents the most recent vehicle for Beck's signature commentary where he took a moment to acknowledge the difficulties in dealing with the IRS alone. No fan of IRS policies and its often intrusive audit and aggressive collection practices, Beck admits it's simply one's duty to pay their taxes. "The IRS is a brutal collection agency and no matter what the excuse, you have to give them what you legally owe. You have to honor and be an honorable person, you have to do it," stated Beck on GBTV.

According to [Tax Resolution Services'](#) Founder and CEO Michael Rozbruch, many consumers with tax problems start out by trying to handle their IRS case on their own (or with ineffective representation) but end up with negative results. The TRS team of tax attorneys, CPAs, and Certified Tax Resolution Specialists (as certified by the American Society of Tax Problem Solvers); have successfully resolved thousands of cases since 1998, saving their clients well over \$86 million, and established itself as the premier national firm providing reliable and expert tax relief services and exceptional customer experience.

Beck said that because of their sound reputation, the professionals at TRS are the most trustworthy in handling cases directly with the IRS on the client's behalf. If a taxpayer or small business owner owes \$20,000 or more in back payroll or income taxes, Beck suggests they partner with a [Certified Tax Resolution Specialist](#) or a [tax attorney](#) such as Tax Resolution Services, Co. "These guys are good; they're the best at what they do. They're pioneers of this industry, let [Tax Resolution Services](#) help you – there is a way out."

Tax Resolution Services, Co.®, the nation's leading experts in tax negotiation and mediation®, is dedicated to providing affordable solutions to businesses and individuals alike who find themselves in trouble with the IRS. Their work caters to
