Hundreds of radio, TV, and national print media outlets have had the pleasure of interviewing Michael or having him guest on their shows. He is known for being a natural and captivating speaker who engages audiences with his personable and passionate approach to tax resolution education.

"Michael Rozbruch is a real pro. He speaks every year at my Law Day events and he is always a crowd favorite. You won't find a more informative and knowledgeable tax expert. I send all my friends to TRS and as I've said before, I would trust them to do it for me if I ever needed tax help."

Bill Handel, Host of the nationally syndicated radio show Handel on the Law

"Mike Rozbruch was an excellent special guest on my recent "MoneyTalks" radio show. The topic matter, his candid patter, the experience and knowledge all comes off very well, both informative and entertaining at the same time."

Greg Anderson, CPA, Host of MoneyTalks

"If you're under audit, call the tax resolution experts who've been helping people with their tax problems for more than 10 years. I know Michael Rozbruch who runs the firm of 40 people helping folks like you resolve their problems with the IRS. Those problems aren't going away till you do something about them. Don't lose another night's sleep wondering when the tax collector's going to come after you."

Bob McCormick, Host of Money 101 on KNX 1070 and award winning journalist on CBS 2 and KCAL 9 News

"What a great turnout! Thank you for volunteering to help with *The Times'* first-ever Tax Reader Call-In Night. The questions ranged from the simplest ("Do I make enough money to file a return this year?") to a couple stumpers about how to handle an international deferred compensation payout and how to wind down a Keogh. Fortunately, we had a wealth of expertise on hand. The readers who called were uniformly grateful for your time and help. I received several emails from readers asking when the next call-in would be."

Los Angeles Times
